HAMILTON PLAYGROUNDS COMMISSION - Annual Report, 1936.

The eighteen page report of the activities of this association cannot be adequately summarized here. Reading it, one is impressed however with the potentialities of co-operative effort. The Commission's officers seem to be very adroit in enlisting the services of all who might be able to help carry on their most comprehensive programme. The Summer Playground movement has been built up into a year-round programme. Members in smaller communities will glean much helpful material from this report. Write to J.J. Syme, Superintendent and Secretary, Hamilton, Ont., for a copy.

## M E M B E R S H I P

Will you help to secure new members for the C.P.E.A.? The mailing list of the association does not include all teachers of Physical Education in Canada. It is probably not possible to get them without the personal assistance of our members. With a large list to circularize, the membership of the association would be greatly increased. The Secretary will be glad to send application forms for membership to any persons whose names you send her.
